## THE CROSS & THE RESURRECTION

Pastor Corey Laughary

We can never hear the basics of our faith too often. This is true for us, but it also was true for the first-century Christians. Paul wanted to keep the cross of Jesus Christ and His resurrection forefront in their mind and heart, and so he wrote:

"For I delivered to you as of first importance what I also received: that Christ died for our sins in accordance with the Scriptures, <sup>4</sup>that he was buried, that he was raised on the third day in accordance with the Scriptures" (1 Corinthians 15:3-4)

The central truth of Christianity is that God sent His Son into the world because He loved the world and wanted to rescue the world from sin and death. This restoration rescue included the death of Jesus and His rising on the third day. This is what we honor, remember, and celebrate during Holy Week each year.

Please consider reading the following sentences and using your Bible or Bible app to read the following scriptures. As you read, and after you read, think deeply on the profound love God has for His people.

**We honor that** our God so loved us that He went to Jerusalem knowing that a cross would be there for Him. (Matthew 16:21)

**We remember that** though He was God, He did not use His equality in the Godhead to His advantage, but instead He acted as a servant and became obedient to death, even the brutal death of a cross. (Philippians 2)

**We remember that** though He could have called angels to come and rescue Him, He did not. (Matthew 26:53)

**We celebrate that** His victory is complete - all that is needed to be forgiven of sin and rescued from death has been finished by Christ through His death and resurrection. (John 19:30 and Romans 5:10)

Have you come to depend on Jesus Christ? You can depend on Him fully. Trust in Him and His love for you. His death and His resurrection are real, historical events that have the deepest possible spiritual consequences. Depending on Him and His life-changing sacrificial death and eternal life-giving resurrection will change you in the here and now, and will give you life with Him forever.

As Paul wrote: "If the Spirit of him who raised Jesus from the dead dwells in you, he who raised Christ Jesus from the dead will also give life to your mortal bodies through his Spirit who dwells in you."

You can have life abundant now and eternal life (John 10:10, John 3:16). Indeed, you were created for this deep life with God.

Depending on Jesus,  
Pastor Corey

# LIGHTHOUSE LIVING

Tina Laughary

One of my personal goals for 2017 is to read more books. I have been so pleased with the books I have read so far this year, that I have decided to give you a book review on one of them—something I plan to do from time to time.

My first review is on *Organic Outreach for Families: Turning Your Home Into a Lighthouse*, by Kevin G. Harney and Sherry Harney. Kevin Harney serves as senior pastor at Shoreline Community Church in Monterey, California. Pastor Corey was blessed to be able to attend an “Organic Outreach” training seminar in Monterey last fall and he brought this book home for me to read. Pastor Kevin, along with his wife Sherry have successfully raised three children while serving at a growing evangelical church. They co-wrote this book to share their journey of raising a family that cares about their neighbors and longs to share the love of Jesus with them.

I was thrilled to read this book because the Harney’s have great wisdom to share. They already have successfully completed what Corey and I are attempting to do. I believe this book is relevant not only for the Pastor’s family but for any family committed to sharing the love of Jesus Christ in and through their family life.

**“They will only learn how to navigate the world as Jesus would have them do it from us—their parents—as we teach them and lead them to study, worship, and grow.”**

In *Organic Outreach for Families*, the Harney’s first reveal how to share the gospel within your family. There are excellent ideas and examples of how not only to “tell” your kids about Jesus but to demonstrate a Christian lifestyle and worldview to your spouse, children and extended family. Corey and I already have begun to

implement some of their suggestions in our home with our family.

Next, the Harneys tackle how to raise children of light in a dark world. Our children will face all types of difficult situations at school, with friends, on the playground, and in the community. Handling difficult situations as the Bible teaches Christians to handle them is sometimes countercultural. They are not going to learn these skills at school or through the media. They will only learn how to navigate the world as Jesus would have them do it from us—their parents—as we teach them and lead them to study, worship, and grow. We must make our homes safe places for them to ask questions, receive encouragement and guidance, and learn to pray.

Lastly, the book deals with how to make your home a lighthouse in the community. As Christians, our homes should be safe places for our neighbors. The Harney’s effectively communicate ideas for how to welcome them, encourage them and share with them the love and forgiveness of Jesus Christ. The book moves from general principles, “Your home should be safe and loving,” to very specific suggestions, such as: “Pick up pancake mix whenever it is on sale so you will always be able to make a big breakfast for hungry teenagers!”

I found this book valuable in two ways. First, it deals with mindset. God has blessed me with a family and placed us in a specific community with specific neighbors for a purpose. How am I taking responsibility to be the best parent and neighbor I can be? How can I better serve the Lord by loving my Oikos, the people God has placed in my life? Secondly, the book is practical. It provides many examples of the Harney family’s successes and mistakes. I find their honesty and willingness to share encouraging and relatable. I already have recommended this book to other families and now I am recommending it to you! If you have a heart to share Christ’s love with your family and neighbors—you will find this book encouraging and helpful in practical ways.

***Copies are available at the church. If you’re interested, pick one up today!***

## MAUNDY THURSDAY SERVICE

Tim Sievers

The English word “Maundy” comes from the Latin *mandatum*, which means “commandment.” As recorded in John’s gospel, on the night before his betrayal and arrest, Jesus washed the feet of his disciples and then gave them a new commandment to love one another as he had loved them (John 13:34). Together we’ll explore two great acts of love demonstrated by Jesus in His final days. Join us & bring a friend.

## GOOD FRIDAY

Pastor Corey Laughary

We call Good Friday “good” because Jesus did the most amazing act of selfless love for us on that day. The Son of God, Jesus Christ, though innocent of all crimes, entered the darkness and reality of death for our sake. The one who knew no sin, became sin for us so that we might become the righteousness of God (2 Cor. 5:21). For the atonement of our sin to happen, deep and mysterious as it is, it required the death of Jesus Christ. I invite you to come and contemplate Christ’s death on Good Friday.

“Tenebrae” is Latin for darkness or shadows. The service involves listening to the seven final sayings of Jesus that he spoke from the cross, after each saying is read a candle is extinguished and the service ends in darkness. It is very somber and nearly completely dark at the end. Small children are not encouraged to participate in this service. **Childcare will be provided!**

## STARTING POINT

*Bible*

### Starting up in May

If you are new to reading the Bible, want basic background on the Bible, or a basic refresher of Bible study methods, then "Starting Point: Bible" is for you. Starting Point is a class where all questions are welcome - and encouraged!

Starting Point: Bible meets once monthly on the first Wednesday of each month at 6:30 PM starting May 3rd. The sessions are led by Dennis and Vickie Griner, Robin Blair and Pastor Corey Laughary.

The goal of the six-session class is to give you a Bible introduction, practical help for how to use the Bible in everyday real life, and connect you to your next step.

If you are interested in Starting Point: Bible, fill out a communication card on Sunday, e-mail Pastor Corey [thelaugers@yahoo.com](mailto:thelaugers@yahoo.com) or call his cell (509) 336-9154. Child-care will be provided for any who need it.

## NEW OIKOS PRAYER CARDS NOW AVAILABLE

If you've been around PFC for any amount of time, hopefully you've heard about Oikos. Oikos is a Greek word meaning extended household—it's the 8 to 15 people that God has supernaturally and strategically placed in your life—friends, family, neighbors, and co-workers. Nobody is better equipped to share the truth of Jesus with them than you. New Oikos prayer cards are now available for adults and children.

## KID CARPOOL UPDATE

Brenda Cook

**WHAT** | Pairing adults with youth who need consistent, reliable rides to church services, Bible classes & age appropriate youth events.

**WHEN** | Starting ASAP. We will match you with a youth as the need arises, or you may already have someone in mind!

**WHY** | We want to share what our church community has to offer to area youth! We believe that there are many kids in our community that would attend Bible classes, youth group, church services and other church events if they had a

consistent ride to church and back home! As more of us commit to bringing a youth (or an adult) to church with us, we will be sharing the love of Jesus with our neighbors (oikos) and help them grow in Christ!

### HOW/DETAILS

- ♦ All volunteers for church events/programs need to fill out a background check for our church insurance.
- ♦ You must maintain excellent communication with the child's parents/guardians. Always call in advance to plan for rides to church services, events, etc. It is your responsibility to maintain a good relationship with the youth and parents/guardians. Be trustworthy and reliable.
- ♦ Your car insurance is the primary insurance. PFC's insurance is considered secondary.
- ♦ If you make your own arrangements, please let me know WHO you are bringing, as well as any changes as they occur.

Thank you for serving our community in this way!

## PALM SUNDAY PANCAKE SUPPER & TALENT SHOW | APRIL 9 | 5 PM

At the annual Pancake Supper and Talent Show Fundraiser you can enjoy breakfast for dinner and the "amazing" talents of the people of The Palouse. The Pancake Supper is by donation and all proceeds are used to provide scholarships for those who desire to attend Ross Point summer camps and retreats throughout the year. This is our single largest annual fundraiser.

If you are a youth or adult camper, please plan on serving our community this evening by donating needed food items, helping cook, set tables, clean kitchen, bus tables, and/or participate in our good old fashioned talent show...no talent is too big or small! This is a great way to earn your scholarship service hours and a good time to sign up for a scholarship if you need one. If you have a talent you'd like to share, simply sign up on the clipboard in the Fellowship Hall or let Tim Sievers know!

## ROSS POINT WOMEN'S RETREAT APRIL 21-23

This is the deep and lasting change you've been longing for!

We will be studying together, praying, and eating some delicious meals (that we don't have to cook!).

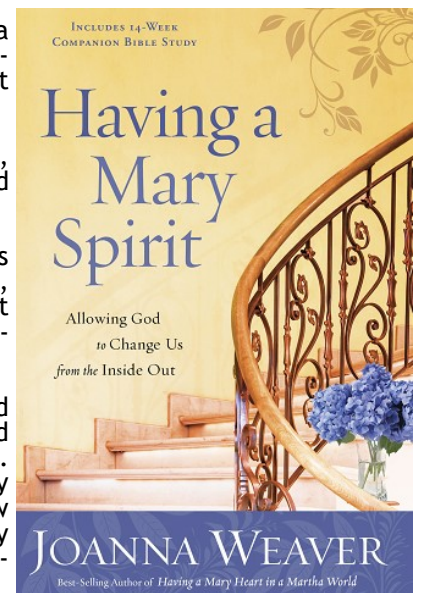

The retreat begins with supper on Friday the 21st and ends following worship on Sunday, April 23rd.

Register by April 7 for a \$10 discount. All registration is online at [www.rosspoint.org](http://www.rosspoint.org).

## GARPAL YOUNG LIFE IS GROWING LEADERS

Betty Sawyer

We are happy to announce that GarPal Young Life has 8 young adult leaders (many from WSU's collegiate Young Life leadership program) who are giving lots of time to GarPal Young Life students. The Young Life committee, made up of dedicated adults in Garfield and Palouse are committed to mentoring these college and young adult leaders. We pray for their hearts to be prepared for ministry, for their college classes and heavy schedules, and we give thanks for their service and encourage them.

---

**"In the midst of chaos, Young Life hopes to create a space for God in every young person's life."**

---

Eleven leaders and committee members attended a NW Regional Young Life Leader Conference in February where they, and about 500 other leaders, were uplifted with speaker sessions, music and worship, sharing and networking opportunities. We were encouraged to "BE ASTONISHED" by the gospel and what God is doing in our lives.

About 10 Young Life students have had a Bluewood over-nighter with their leaders where lots of one-on-one time occurred. They had some fun in the snow, enjoyed staying in a big home set up for Young Life activities. Several leaders are always present at the Monday night Club where they hold Bible Studies, have soup and, of course, a lot of fun together. Students are challenged to go deeper at the studies where leaders share Jesus and HIS STORY. And in the midst of chaos, Young Life hopes to create a space for God in every young person's life.

## IMPERFECT! LIVES

STORIES OF DEPENDENCE & RESTORATION

Some stories stir us to acts of courage, while others strike fear in our bones. Some remind us of our histories, while others inspire us to seek out new adventures. All great stories have moments of loss or despair, and victories won at great cost. The journey of Jesus to the cross is that perfect story—one we can't help but love and accept as truth, as a loving God makes the ultimate sacrifice to rescue and restore humanity.

We also have our own stories of loss and victory, which, understood in the context of the greater story of the life of Jesus, and God's plan, can encourage us and strengthen our faith.

We have two more **Wednesday Night Lenten Soup Suppers** (April 5 and April 12), during which people from our PFC family will share stories of times when they have depended on God and when God has worked restoration in the midst of their own [Imperfect] lives. Come and hear the stories of how the Gospel of Jesus Christ transformed people—you will be encouraged! **Weekly soup suppers begin at 6 PM!**
